No charge is made for the use of the camping grounds. Parties may bring their own camping outfits. A limited number of tents and cots will be available at the tent and awning companies.

All campers will be required to occupy the regular camp grounds which are fenced off from the main portion of the grounds. Positively no camping will be permitted west of the camp ground fence or on the Fair Grounds proper.

Regular admission gates have been provided, one on Grand Avenue, one on street leading to camp grounds south of old Poultry Building, and one on street south of the Boys' 4-H Club dormitory.

Campers will be required to pay the regular admission fees when entering the main portion of the grounds through these gates.

Campers' return checks will be issued by the gatekeepers at the camp grounds entrances to campers who wish to return to their tents for meals or rest during the day. These checks will admit campers to the main part of the fair grounds, at camp ground entrances only on the day issued. Any person attempting to abuse the camp ground return check privilege will be required to pay the regular admission fee, and will subject themselves to expulsion from the camp grounds.

No pass-out or return checks will be issued for the main outside gates. Campers who desire to visit the City during the day may leave the camp grounds through the campground exit gate. Pass-out return checks will be issued to campers so they may return through the camp ground exit gate. The road leading to this gate runs south to Dean Avenue from a point east of the Farm Bureau Headquarters.

Trailer Camp

Ample space is provided for a Trailer Camp south of the regular camp grounds. Electrical connections may be made and a nominal charge is made for such connections. A Trailer Camp headquarters is maintained where trailer campers are required to register. No house trailers are allowed outside the trailer camp area.

Women and Children's Building

The Women and Children's Building is a beautiful structure located on the hill east of the Stock Pavilion and Agricultural Building. The location is ideal, overlooking the main portion of the grounds and exhibit buildings.

There is a large auditorium in which programs of interest to women are given daily.

The rest rooms are large, well ventilated and comfortably furnished. The spacious porches offer a resting place for hundreds of people.

Manifold copies of the awards in the live stock departments, daily programs, special orders and announcements, official decisions and all other matters of interest to the public will be furnished to the press and radio. Representatives of the press and radio, who may be assigned to or visit the Fair, are cordially invited to make this their headquarters and avail themselves of the facilities offered.

"STATE FAIR REVUE OF 1954"

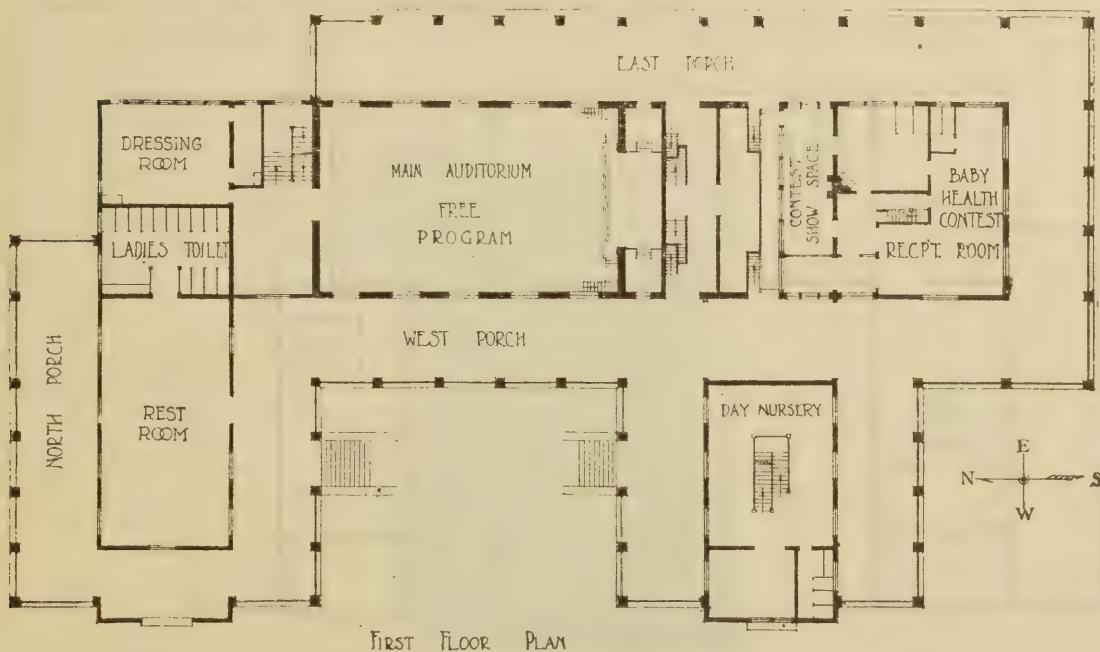

The music for this production is by the State Fair Revue Orchestra. The Iowa State Fair Board is pleased to present to the patrons the "State Fair Revue of 1954." We believe this production will please everyone who enjoys good entertainment. A Barnes-Carruthers production.

Ensemble Episodes

"BEYOND THE HORIZON"—Starlit Ballet—The stage is magically transformed to a sky of rolling, moving clouds through which the bird-like creatures emerge to float through an ethereal ballet. Cloud above cloud arise higher and higher to a climax of choral ensemble singing through clouds.

"BALLET DECEPTION"—We have originated the most unique dancing ensemble number ever presented before an audience. Absolutely unparalleled in theme, in execution and in presentation.

The ensemble will appear to be dancing through space without support of any kind. Featured in this number will be the famous French importation, DOLINOFF AND THE RAYA SISTERS. From a novelty standpoint, this should prove to be extraordinary and that "something different." This effect is achieved by special imported lighting equipment. Definitely an outstanding number.

"BESSIE AND HER BUSTLE"—A number for laugh purposes only, intermingled with all the old time songs and dances, appealing to both old and young alike. A presentation proven to be tremendously successful on account of the grotesque bustles worn by the Floradora Girls and the delightful unexpected climax with the bustles.

"CANDYLAND"—The setting for this scene is a candy shop with the candy characters beautifully costumed and the lighting soft and delicate. The story opens in a little village—on through a dream sequence to a trip to Candyland, where all the candy comes to life—with a spectacular surprise finish.

Grand Finale

Magnificent display of Thearle-Duffield fireworks.

Auditorium—Women and Children's Building

8:00—Sylpha Snook Players.

Thrillcade

Everything's big about Thrillcade, from the congress of 20 stunt performers to the eye-filling fleet of brand-new 1954 model Ford automobiles. And Thrillcade's record speaks for itself, because this will be the fourth consecutive year Aut Swenson's daredevil troupe has staged more performances on the Midwest Circuit—acknowledging big-time of fairdom—than all other thrill shows combined.

New faces, new Fords, and new stunts stand out in the repertoire of this king-size carnival of thrills and chills and spills. There are 30 different stunts in the two-hour show, and not a one of them but in what the life of some performer is imperiled.

Thrillcade isn't without some of its veteran daredevils . . . men and women who have dedicated their lives to entertaining thrill-hungry spectators.

Yvonne LaCosta, 94-pound "Queen of the Daredevils" from New Orleans, Louisiana, again is making the 30-state, border-to-border and into Canada junket with Thrillcade, and will be featured in Roman Steeplechase racing, precision driving and on the twisting, swirling Flying Perch.

Vaudeville and circus acts will be presented in addition to the "Thrill Day" program.

Ensemble Episodes

"BEYOND THE HORIZON"—Starlit Ballet—The stage is magically transformed to a sky of rolling, moving clouds through which the bird-like creatures emerge to float through an ethereal ballet. Cloud above cloud arise higher and higher to a climax of choral ensemble singing through clouds.

"BALLET DECEPTION"—We have originated the most unique dancing ensemble number ever presented before an audience. Absolutely unparalleled in theme, in execution and in presentation.

The ensemble will appear to be dancing through space without support of any kind. Featured in this number will be the famous French importation—DOLINOFF AND THE RAYA SISTERS. From a novelty standpoint, this should prove to be extraordinary and that "something different." This effect is achieved by special imported lighting equipment. Definitely an outstanding number.

"BESSIE AND HER BUSTLE"—A number for laugh purposes only, intermingled with all the old time songs and dances, appealing to both old and young alike. A presentation proven to be tremendously successful on account of the grotesque bustles worn by the Floradora Girls and the delightful unexpected climax with the bustles.

"CANDYLAND"—The setting for this scene is a candy shop with the candy characters beautifully costumed and the lighting soft and delicate.

The story opens in a little village—on through a dream sequence to a trip to Candyland, where all the candy comes to life—with a spectacular surprise finish.

TOURNAMENT OF THRILLS

Competition is the backbone of American fairs, and now those daredevils who smash and crash automobiles in the movies and with the thrill circuses will change their daredeviltry from exhibitionism to competition.

The daredevils will test their skill in slides from speeding automobiles. Deliberate roll overs of stock automobiles, crashing motorcycles and cars through walls of fire. They will also, as teams and individuals, compete in exhibitions of skillful and precision driving.

In the crash roll over contests, the competitors draw lots for the various cars, so that no one performer can strengthen one car more than another.

The events are sanctioned by the International Stuntmen's Association of Hollywood, California, to which most of the top daredevils of both the movies and the auto stunt shows belong.

Vaudeville and circus acts will be presented in addition to the "thrill day" program.
